# CITY OF FORT LAUDERDALE Notice: Upcoming Improvements

## LAS OLAS MEDIAN IMPROVEMENTS

### **Enhancing our Urban Vacationland**

As part of an ongoing effort to beautify our community, the City of Fort Lauderdale will replace the Black Olive Trees along the 400, 500 and 1200 blocks of Las Olas Boulevard with Medjool Date Palms. The palm trees will be illuminated with up-lighting and accented with new hedges.

The installation is scheduled to take place from August until November 2015. There may be periodic closure of one lane of Las Olas Boulevard in either direction as part of the improvement project.
